

DC Savings

TRANSFORM YOUR SAVINGS JOURNEY

Dachsh & Capy

DONE FOR THE
INTERVARIETY HACKATHON
2025

Problem

Traditional savings apps are boring and isolating

People struggle to maintain saving habits
because of

DC Savings fixes this by making saving social,
fun, and rewarding

Solution

Gamification -
Challenges and
achievements make
saving fun

Social Features -
Community support and
friendly competition

Visual Progress -
Beautiful charts and
real-time tracking

Solution

Celebrations - Confetti
animations for milestone
achievements

Modern UX -
Responsive design with
smooth interactions

Scalable Architecture -
Built with modern React
best practices

— Why DC Savings

- DC Savings revolutionizes personal finance by combining savings tracking with social gamification.

Users Can:

Track savings
with beautiful,
interactive
dashboards

Join challenges
to stay
motivated and
engaged

Compete on
leaderboards
with friends and
community

Share
milestones
through the
social feed

Share
milestones
through the
social feed
